Year for publishing the county Superintendent's notice, and calls it a steal.

Year for publishing the county Superintendent's notice of his intention
to make final proof in support of his claim, and
their printing, which the county pays
for, done where it can be done the

Notice is hereby given that the following
named settler has filed notice of his intention
to make final proof in support of his claim, and
their printing, which the county pays
for, done where it can be done the that he was about to make a trip If the editor of the Argus will consult cheapest, and that an equal chance east for the purpose of disposing of the statutes, he will find that the law be given the two newspaper offices some property, and upon his return allows us fifty-two dollars a year for in the county to bid for the same. would commence the erection of a doing that work, and that we have voluntarily made the county a donation of \$18 a year out of the amount lawfully ours for doing the work. So

much for that falsehood. Last August the editor of the Argus slipped in a bill for printing for the Located one door south of Dow's county, that contained some of the most outrageous charges that was ever heard of, among which was a charge for county judge's summons at the rate of thirty dollars a thousand The proof that this outrageous charge was made can be had at the court house; the bill was allowed Aug. 9. 1880. Evidently Mr. A. J. Kenney is a reformer-with a vengance. Those summons' when bought in Lincoln or Omaha only cost eight dollars per 5th, clear; 6th to 9th cloudy with thousand. We are prepared to prove severe storms in localities; 19th and the above statements, and we waste 11th, clear and liable to frost; 12th to this space to show what a notorious 15th, cloudy and probable storms; 16th tion will be satisfactorily settled so far liar A.
